STALLION SERVICE CONTRACT

THIS AGREEMENT made and entered into this ____ day of _____, 20__ between _____, referred to hereafter as MARE OWNER, and COLLEEN SHEILA AUFIERO, referred to hereafter as STALLION OWNER. MARE OWNER hereby contracts for stallion service for mare named _____, Breed _____, Reg. No. _____ to the stallion SHINING TOPSAIL, AQHA reg. No. 3515093 and will bring the mare to _____ on or about _____ (date), for breeding on the following terms and conditions:

1. The Stallion Service fee shall be \$_____ (U.S. Funds) and shall be paid in full before the mare is released from the breeding facility. A non-refundable booking fee in the amount of \$_____ (U.S. Funds) shall be paid to the STALLION OWNER upon signing this agreement. The booking fee is additional to the Stallion Service Fee. If for any reason the mare does not come to the breeding facility, or the mare does not settle, the booking fee shall be retained by the STALLION OWNER.
2. A live foal is guaranteed, unless the mare leaves the breeding facility before she is pregnancy tested and pronounced in foal by a licensed veterinarian. If the mare does not settle in foal, or if the resulting foal from this breeding does not stand on its own strength and suck, MARE OWNER will be entitled to one free season. Live foal guarantee also will apply only if STALLION OWNER is notified in writing (certified mail) within one week of the death of the foal. This notice must be accompanied by a statement from a licensed veterinarian.
3. The mare shall be in a healthy sound breeding condition. Before the mare is bred, she shall be cultured by the veterinarian regularly employed by the STALLION OWNER. If she is clean and in breeding condition, STALLION OWNER shall make every reasonable effort to settle the mare. If the mare is found to be infected or otherwise not breedable condition, STALLION OWNER or the veterinarian shall so notify MARE OWNER and agree upon a course of treatment. If, after diligent effort has been expended by STALLION OWNER, the mare does not settle, MARE OWNER shall hold STALLION OWNER blameless.
4. All veterinary services are for the account of MARE OWNER and shall be billed direct by the veterinarian to MARE OWNER. However, the Stallion Service Fee will include all veterinary supplies used for sanitary breeding procedures.
5. If shod, all mares to be bred must have their hind shoes removed. This is to be done at MARE OWNER's expense, preferable before the mare arrives at the breeding facility.
6. Any farrier charges that occur shall be billed to MARE OWNER by the farrier.
7. Mares that are not halter broke will not be accepted.
8. The mare or mare and foal will be cared for in a careful and diligent manner. STALLION OWNER reserves the right to employ veterinary care at MARE OWNER's expense in case of illness or injury. MARE OWNER agrees that the STALLION OWNER shall not be held responsible for any injuries, accidents, sickness or death to either the mare and/or foal. MARE OWNER shall be notified in case of accident, injury, sickness or death.
9. MARE OWNER shall not be held responsible for any accident or injuries, which might be inflicted upon the stallion by the mare incident to teasing or breeding the mare.

12. All fees, including Stallion Service, veterinary, board, farrier, shall be paid in full by the MARE OWNER before the mare is released from the breeding facility, even in the event this agreement becomes null and void for any reason.
